

AS SCHEDULED™

AMSE ADE

DELHI

16TH SEP - 22ND SEP
7 DAYS / 6 NIGHTS

EXPLORE DELHI WITH HANDPICKED STRANGERS

Four days inside the madness of AIMS PULSE. Two days in Delhi that somehow turn into seven days of plans, people, late nights and stories you'll still be telling next semester.

You meet people you didn't know existed 48 hours ago. Then suddenly you're sharing food, making plans, losing each other in crowds and acting like you've known each other for years.

Delhi during Pulse isn't somewhere you quietly visit. It's somewhere you get thrown into.

Morning plans become afternoon plans. Afternoon plans become night plans. Night plans become: "Bro, it's already 4 AM." And somehow, there's still an 8 AM plan tomorrow.

**YOU DON'T NEED A VACATION.
YOU NEED A WEEK YOU'LL
NEVER SHUT UP ABOUT.**

DAY 01

WELCOME TO AIIMS DELHI

You arrive in Delhi, make your way to the **stay near AIIMS, drop your bags**

First impressions, awkward introductions, figuring out who's from where, and that first moment when everyone slowly stops feeling like complete strangers

Then comes the first food run, followed by the inevitable **"BRO, WHERE ARE WE GOING?"** Someone has a plan, someone changes it, someone suggests somewhere else,

This is the warm up. The calm before everything gets completely out of hand. You haven't even reached the main event yet.

DAY 02

**YOU THOUGHT YESTERDAY
WAS CHAOTIC?**

CUTE

✱ You know where everything is. You know the crew. You know the energy

✱ You know which events you want to hit, which performances **you absolutely cannot miss**, and most importantly, exactly who to call when you're looking for someone.

✱ Someone is missing. Someone is taking forever to get ready. **Someone has found an event nobody knew existed.** Someone is "just five minutes away" while being nowhere near the group.

✱ And every few minutes, **the same sentence takes over the group chat: "BRO, WHERE ARE YOU?"** Somehow, despite nobody following the plan, everyone still ends up exactly where they need to be.

✱ Yesterday was about meeting everyone. Today is about knowing everyone well enough to start causing problems together.

INCLUDED TODAY

**AIIMS PULSE EXPERIENCE
BREAKFAST · LUNCH · DINNER**

DAY STATUS

ACQUAINTANCES → CREW

DAY 03

THE STRANGERS PART IS OFFICIALLY OVER.

✱ By now, the strangers aren't strangers anymore. They're your people.

✱ You've spent three days running around with the people in your camera roll, the people you keep tagging, and the people whose names you somehow learned without remembering when.

✱ Another full day of Pulse means more events, more performances, more people, **more chaos**, and a **whole lot of stories** that will sound better when retold later.

✱ Between **jumping from one event to another**, **grabbing food together**, and **making plans** that keep extending into the night, there is absolutely no reason to go back to the hotel early.

SLEEP CAN FILE A COMPLAINT LATER.

INCLUDED TODAY

**AIIMS PULSE EXPERIENCE
BREAKFAST · LUNCH · DINNER**

DAY STATUS

CREW → KINDA FRIENDS

DAY 04

THE WEEK IS GETTING STUPID.

✱ Four days in and somehow "we'll figure it out" has become the official group strategy.

✱ You **wake up tired**. Nobody cares.

✱ **Someone is still sleeping. Someone is already outside.** Someone has found a completely different event. Someone is **dragging three people to a show nobody planned for.**

✱ And before you've even reached campus, the group chat has already produced **six different plans** for the same evening.

**ONE EVENT → ANOTHER EVENT →
"BRO WAIT, THIS IS HAPPENING
HERE" → RANDOM PEOPLE JOIN →
SOMEBODY DISAPPEARS →
SOMEONE FINDS THEM → PHOTOS →
FOOD → ANOTHER PERFORMANCE →
"LAST NIGHT, BRO."**

DAY 05

THE MAIN EVENT HAS ENTERED THE CHAT.

✿ By now you've survived four days of Pulse, and somehow the festival keeps finding new ways to get louder. Today isn't about slowing down. **Today is the one everyone has been waiting for.**

✿ The campus is buzzing, the crew is fully locked in, and **nobody wants to miss a second of what tonight has coming.**

✿ But tonight is different. **PULSE PRONITE.** The main event. The big one. The kind of night where the entire festival comes together and **suddenly every plan becomes "BRO WE HAVE TO BE THERE."**

✿ Get ready, **get your crew together, charge your phone, fix the outfit and prepare for the night everyone's going to be talking about tomorrow.**

INCLUDED TODAY

**AIMS PULSE EXPERIENCE · PRO NIGHT
BREAKFAST · LUNCH**

DAY STATUS

KINDAAA FRIENDS → FRIENDS

DAY 06

DELHI STARTS NOW.

After four nights of Pulse chaos, nobody needs a sunrise alarm. **We take it slow, get breakfast, recover slightly, and then head out.**

First proper Delhi stop. Big history, big architecture, and the classic "okay, we're actually in Delhi" moment.

Then straight into Old Delhi madness. **Crowded lanes, street food, shopping, and enough food stops to completely ruin the original lunch plan.**

A change of scene. **Massive Mughal architecture, gardens, photos, and a little breathing room before the evening.**

As the sun goes down, we head to **India Gate**. **Evening lights, group photos, and then food, chai, wandering, whatever group gets into next.**

INCLUDED TODAY

**DELHI CITY EXPERIENCE · SCHEDULED TRANSFERS
BREAKFAST · DINNER (LUNCH TODAY IS CHANDNI CHOWK
STREET FOOD, ON YOU.)**

DAY STATUS

FRIENDS → HOMIES

DAY 07

Quick breakfast, bags packed, and we're out. No wasting the last day in bed.

First stop of the morning. **One of Delhi's biggest icons, a proper group photo,** and one last excuse to fill everyone's camera roll.

A completely different side of the city. A little calmer, a little slower, and exactly what we need before the final stretch.

Walk, chill, talk, take random pictures, replay the week's best moments and pretend nobody is thinking about the fact that it's almost over.

Everyone is pretending they're emotionally stable. They're not.
Seven days together. Hundreds of photos. Way too many inside jokes. Names saved in phones. Plans already being made for after the trip.

INCLUDED TODAY

**DELHI CITY EXPERIENCE
BREAKFAST · LUNCH
TRANSFER TO STATION, 7 PM – 11 PM**
